# Survey and Follow Up Questions

To make sure Glean is a hit with your students, it's a great idea to get some feedback after the initial rollout.

A quick student survey can give you valuable insights into how they're finding Glean and what's working well. Feel free to use these sample questions as a starting point for your own survey!

**1. Did you use Glean during the last semester?**

Yes

No

**2. Did you use Glean for hybrid classes, remote classes, in person classes? Please select all that apply.**

Hybrid classes

Remote classes

In person classes

**3. If you were able to use Glean for multiple class formats, did glean work better in any of the following settings?**

Very helpful

Somewhat helpful

Not helpful

**4. Please provide any comments or feedback on Glean. Or a reason for if you have stopped using Glean.**

**5. Would you rather have access to peer notes or Glean?**
